

# Ezekiel: A Vision of God

## SERMON SERIES

SJR Ezekiel Orientation Morning: Sept 9th

*Why does Ezekiel matter now?*

**Ezekiel presents an awesome vision of the living God:**

**his power, justice, and compassion.**

**We need this vision today.**

One of the most interesting books of the Old Testament, Ezekiel presents the visions and oracles of the Judean prophet and priest 550 years before Christ, in a time of national decline, danger, and distress.

SJR's Fall 2017 Sermon series will look at 14 selected texts from Ezekiel. The Orientation morning is an opportunity for everyone in the church to get helpful background on the person of Ezekiel, the layout of the book, the historical setting, and major themes. It is designed to equip you to better understand the message of Ezekiel in its time, and for us now.
